

April 1 , 2015

Activities in your child’s classroom may be recorded (e.g. photographs, video, audio) throughout the year in an effort to share effective teaching and learning practices.

These recordings may include identification of individual students, teachers and/or the school. The recordings may be shared with other schools in our district, other boards, the Ministry of Education and/or posted on the internet (i.e., AMDSB website). While students may be referred to by name in the video/recording, they will not be formally identified in writing.

By signing this document, I/we have read and understand that by giving consent, I/we are permitting my son and/or daughter’s image and/or audio file to be recorded by Avon Maitland District School Board staff. I further understand and agree that these records may be shared via the internet. All recordings will become permanent property of the Avon Maitland District School Board.
