**Rotating Spoons**

Materials: 4 spoons per player, cards

1. Shuffle the cards, and place them in a pile face down.
2. Each player places four spoons in front of them - each spoon must be placed in one of these three positions:

3. The goal of the game is to be the first player to rotate his or her spoons so that they are all in this position:

4. Players take turns turning over the top card and perform the indicated rotation on any one of their spoons.
5. The game ends when one player has rotated all of his or her spoons so that they are in the position illustrated above.
